Portfolio & Selected Work Samples

PROFESSIONAL SUMMARY

Learning & Development professional with 10+ years of experience designing learner-centered programs, facilitating training, developing assessment systems, creating performance support resources, and driving learner engagement. Experienced in managing end-to-end learning initiatives, stakeholder communication, and continuous improvement efforts that yield measurable learner outcomes.

CORE SKILLS & COMPETENCIES

- Learning Program Development, Ownership, and Execution
- Assessment Design & Evaluation
- LMS Administration & Engagement Tracking
- Performance Support Resources
- Training Delivery & Facilitation (synchronous & asynchronous)
- Performance Coaching, Feedback, & Growth Plan Development
- Stakeholder Relationship Management & Communications
- Multimedia Content Creation (See "Training Tools & Systems")
- Onboarding & New Hire Training

TECHNICAL SKILLS, TOOLS, & SYSTEMS

- **Instructional Design Tools:** Articulate Rise 360, Articulate Storyline 360, Canva, Screencastify (Camtasia-adjacent), WeVideo, PowerPoint/Google Slides
- **Learning Management Systems:** Canvas, Blackboard, Infinite Campus, Google Classroom
- **Documentation & Productivity:** Microsoft Office (Word, Excel, PowerPoint, Outlook, Forms), Google Workspace (Docs, Sheets, Forms, etc.)
- **Scheduling & Communication:** Outlook, Calendar, Gmail, Google Calendar, Remind
- **Training Delivery Platforms:** Zoom, Microsoft Teams, Google Meet
- **Methodologies:** Adult Learning Theory, ADDIE, Backward Design (Flipped Learning), Blended Learning, Bloom's Taxonomy
- **Additional Tools:** Logic Pro, Soundtrap (sound engineering)

- **Systems Adaptability:** Experienced in quickly learning and supporting new platforms and proprietary systems

PROFESSIONAL EXPERIENCE

Educator / Training Facilitator

Public School District B (Iowa)

Public School District A (Kentucky)

August 2019 – August 2025

- ★ Designed, established, and facilitated long-term learning programs for groups of 20–150+ learners, incorporating project-based learning, performance support resources, stakeholder communication, assessment systems, and authentic demonstrations of mastery.
- Coordinated large event logistics, including scheduling & facilities management, stakeholder communication & collaboration, which ensured smooth program execution across multiple critical groups.
- Built official organizational policies that reinforced consistent SOP and expectations for daily interactions and responsibilities.
- Designed, maintained, and iterated training materials and learning resources that aligned with national, state, and organizational quality standards.
- Provided real-time coaching and feedback to reinforce standards, expectations, and improve overall learner performance and behavior.
- Tracked participation and engagement data using LMS platforms, maintaining accurate records and ensuring learning consistency across multiple groups, frequently as many as 250+ learners.
- Collaborated with leadership and peers to identify training needs and adjust delivery to better support team and organizational goals.

Trainer & Shift Supervisor

Coffee Company (Kentucky)

December 2017 – August 2019

- Led new-hire onboarding and hands-on training to reinforce operational processes and customer service standards.
- Facilitated on-the-job training and provided real-time coaching to improve team performance and readiness in a fast-paced environment.
- Supported daily operations by managing priorities, reinforcing company procedures, and maintaining effective communication across shifts.

Substitute Educator / Training Facilitator

Public School District A (Kentucky)

December 2018 – May 2019

Administrative Assistant

Public University A - Music Library (Kentucky)

August 2014 – July 2018

- Maintained organized records and databases, ensuring accurate tracking and accessibility of information.
- Developed and updated onboarding materials and work guides to reduce confusion during training.
- Documented processes and workflows to improve consistency and support day-to-day operations.

Professional Development

July 2025 — Present

- Engaging in ongoing professional development in instructional design, eLearning development, onboarding, facilitation, and technology-supported learning environments.
- Developing interactive eLearning experiences and portfolio projects using **Articulate Rise 360** and **Storyline 360**.
- LinkedIn Learning Coursework & Certifications (regularly updated):
 - *Foundations of Learning Management Systems* by Oliver Schinkten
 - *Organizational Learning & Development* by Gina Jeneroux
 - *Generative AI in Learning and Development* by Dr. Terri Horton

PORTFOLIO HIGHLIGHTS

★ Interactive Portfolio Experience

- Designed an interactive learning experience featuring learner reflection, personalized feedback, and analytics-driven evaluation.

A Digital Media Learning Experience

- Developed a scaffolded software onboarding experience incorporating performance support resources, assessment, and learner feedback.

A Performance-Based Learning Experience

- Designed and managed a year-long learning program integrating facilitation, authentic assessment, and continuous learner development.
